Duration	Full Year subject
Duration note:	A semester 10 credit option may be available
Pre requisite	No
Additional Costs	None
SACE Credits	20 (may be available as a 10 credit subject)

Who is this course for?

This course is for any student enrolled at Port Augusta Secondary School who is interested in career pathways in allied & health support services, aged care, disability services and nursing or who have a general interest in the topics listed for their own knowledge & experience.

What will I learn?

- How to risk assess a site and identify hazards.
- How to clean-up a spill of a given substance in a scenario provided.
- How to prepare to make a bed in a variety of formats and ensure it is prepared according to industry standards.
- How to transport an individual to a given site using a wheelchair, walker/car and a bed.
- How to apply first aid to a patient in a scenario provided.
- Post-school pathways and qualifications.

How will I be assessed?

YES Community Studies B has a focus on linking theory with ‘hands-on’ practical learning and application.

Assessment Type 1: Folio: 70% (Internal assessment)

Assessment Type 2: Community Application Activity 30% (External assessment)

Evidence of Learning:

For a 10 credit subject: Two Folio tasks and one Community Application activity.

For a 20 credit subject: Five Folio Tasks and one Community Application activity.
