Who is this course for?

In this subject students will build on the knowledge they have learned in Stage 1 Aboriginal Studies improving their literacy skills in 6 assessment pieces. The subject is also suitable for students who have not studied at Stage 1 level but have an interest in the topics listed for their own knowledge & experience.

What will I learn?

- Students will design a piece of Artwork to be submitted towards the Malka 2021 Exhibition and reflect upon what they have learnt from their experience while undertaking this task.
- Student's research and analyses the theme of this year's NAIDOC Week and plan a fun and engaging activity in a primary school.
- Students research and analyze a series of Yulunga Traditional Indigenous Games and organise a series of communal lunch-time activities (with the support of Clontarf).
- Students view The Final Quarter/ The Australian Dream and reflect on the issue of racism and Aboriginal Australian Rules footballers. They compile a photo-story of famous moments that have shaped the Aboriginal history of the AFL, with annotations and personal reflections included.
- Students review and reflect on the adversity overcome by several prominent past and present Aboriginal AFL players and discuss how their actions, attitude and mindset have allowed them to succeed as elite athletes.
- Students compile a local history photo-story on an aspect of Port Augusta and/or the surrounding region.

How will I be assessed?

YES Stage 2 Community Studies: Aboriginal Studies has a focus on linking theory with 'hands-on' practical learning and application.
